There’s no better choice than Premier.

PREMIER POWER
Premier Agricultural Attachments are designed to utilize the power of the host machine most efficiently, turning them into high performance work tools. Torques for virtually all digging applications and machines are offered.

PREMIER VERSATILITY
Our Agricultural product offerings include Hydraulic Earth Auger Attachments, Bale Spears, Pallet Forks, Snow Plows, and the Patented Rake & Bale Attachment. We offer a complete & comprehensive line of auger bits, mounting brackets, adapters and accessories as well as replacement and upgrade parts.

PREMIER SERVICE
We offer the best lead times in the industry and always have. It’s our job to provide you with a work solution when you need it.

PREMIER WARRANTY
Premier takes great pride in the quality and reliability of our products. To reassure you that you are buying the best, we offer the best warranties in the industry and we stand behind each quality statement.

Powerful, versatile and reliable attachments backed by the best lead times and warranties in the industry.

ROUND BALE GRABBER

For Skid Steer Loaders and Tractor Loaders

- Safely and carefully handles a wide variety of bales - film wrapped, net wrapped or conventional twine.
- Allows operator to stack bales either upright or on their sides.
- Large diameter roll formed tube design greatly reduces potential damage to bales.
- Free floating arm design allows for bales to be stacked or loaded close together without damaging neighboring bales.
- Spring loaded self-centering system allows arms to open evenly during operation and evenly grab bale without having to be completely centered on the bale.
- Fully greaseable heavy duty pins capable of handling 2,200 lbs.
- 82" open arm operating width and 38" working depth.
- Comes complete with hydraulic hoses and couplers.
